

GRO-M Series

GRAFFITI

is the innovative new line
of MR-16 lighting solutions from
Specialty Lighting Industries.

GRO-M Series in low to medium ceiling heights typically found in residential, commercial or retail applications. GRO-M Series fixtures utilize a wider aperture lens to maximize light spread and minimizing light cut-off. The Graffiti™ fixtures provide cost effective MR-16 lighting solutions. As the creative spirit of its name implies, Graffiti™ systems provide all the quality SLI has grown famous for over the last 25 years, but at reduced lead times, affordable price points and innovative technologies that will liberate your creative flair.
